Asian Polyolefin Workshop 2023

Date : December 10-14, 2023

Place: Kinsho Hall, Todai-ji, Nara, Japan

Topics

- (1) Olefin polymerization catalysts*
- (2) Synthesis of new, fine polymers*
- (3) Structure and property analysis polyolefins*
- (4) Engineering aspects of olefin polymerization*
- (5) Sustainable approaches, chemical recycling*

Organized by
Catalysis Society of Japan

Coorganized by
The Japan Petroleum Institute
Kinka Chemical Society, Japan

Chairman
Kotohiro Nomura
Tokyo Metropolitan
University, Japan
