

APO2023

Poster Session: Asian Polyolefin Workshop 2023 (APO2023)

Poster Presentation: December 12 12:00-14:00 (obligation time)

Poster Boards: Board size is 120 cm (width) x 180 cm (height).

All presenters should be at their posters during the poster session.

The poster should be designed to fit the space of 120 cm width x 180 cm height.

Pushpins or other related materials will be provided on site for your convenience.

Poster space will be allocated by the number on the poster board in the lecture hall (B1F)

The poster should be placed in the morning on December 12 and should be removed by December 13 (13:30). The posters remained will be removed by the organizing members.
