Tracking your book metrics is an important aspect of the post publishing process. You worked hard editing your book, and InTechOpen metrics allow you to examine the reach of your published content. Metrics demonstrate the engagement surrounding your book, which is important in uncovering potential opportunities for collaboration and examining the impact the published research is having within the scientific community.

Your Performance Metrics report outlines the following:

- 1. Cumulative downloads by countries/time frame
- 2. Cumulative downloads by countries
- 3. Cumulative downloads by time frame
