

The Ogasawara Greenfinch Population and Habitat Viability Assessment Workshop

Preface

Dairo KAWAGUCHI

Ecology and current status of Ogasawara Greenfinch populations in the Ogasawara Islands

Kazuto KAWAKAMI & Dairo KAWAGUCHI

Threats to the population of the Ogasawara Greenfinch in the Ogasawara Islands

Kazuto KAWAKAMI & Dairo KAWAGUCHI

Workshop process for conservation planning

Shin-ichi HAYAMA

Workshop on making a conservation plan for the Ogasawara Greenfinch

Hajime SUZUKI

Population Viability Analysis of Ogasawara Greenfinch in Ogasawara Islands

Tomoyuki NAMBA

A report on *in-situ* conservation working group session

Kazuo HORIKOSHI

Report of the working group on *ex-situ* habitat of the Ogasawara Greenfinch

Hajime SUZUKI

Discussion on the worst conservation scenarios

Kazuo HORIKOSHI & Kazuto KAWAKAMI

Identification of issues for the symbiotic society working group at the Ogasawara Greenfinch Population and Habitat Viability Assessment workshop

Tetsuro SASAKI & Akitsugu MUKAI

Report from the symbiotic society H working group at the Ogasawara Greenfinch Population and Habitat Viability Assessment workshop

Tetsuro SASAKI

A report on the symbiotic society “S” working group session

Akitsugu MUKAI & Takashi KANEKO

Report on the infectious disease group session

Yukita SATO & Hajime SUZUKI

Climate disaster group session report

Hajime SUZUKI

The actual situation of the rescue of the Oriental Greenfinch in Japan

Hajime SUZUKI

Overview and road map of conservation strategies

Kazuo HORIKOSHI & Hajime SUZUKI

Efforts in the Ogasawara Islands for the conservation of the Ogasawara Greenfinch

Yuri AMAGAI, Rion MIYAZAWA & Shogo ADACHI

Awareness-raising activities about the Ogasawara Greenfinch to the outside of the Ogasawara Islands

Kazuto KAWAKAMI

Web conference system used in the Ogasawara Greenfinch PHVA workshop

Sora HORIKOSHI, Akitsugu MUKAI & Shogo ADACHI

Ordinary Article

The current hybridization between the endemic *Morus boninensis* Koidz.

and the invasive *Morus australis* Poir. in the Ogasawara Islands

Wita YULIANTHI, Saeko KATOH, Tao FUJIWARA, Hidetoshi KATO & Noriaki MURAKAMI
